MANY THANKS

The recent Dowry Tour visit of the statue from the National Shrine of Our Lady of Walsingham was a great success, with many people from a wide area taking part in the various liturgies and activities. Gratitude is expressed to those who prepared for and took part in the event, all who played and made music, everyone who arranged flowers and served on the altar, as well as those who welcomed visitors and supported this endeavour. Images, comments and reflections on the visit may be viewed at:

FAITHFUL WITNESS

The reopening of a bomb-blasted cathedral in the Philippines, six months on from terror attacks which killed 20 people, has been hailed as a testimony to the local Church's faith and resilience despite the ongoing threat of Islamic extremism. Further details at:

CATECHETICAL MATERIAL

A new an informal course about the Christian faith and its relevance for life today has been launched, and the Bishopric is both supporting, and planning to use, it. It gives people space to meet others, share ideas, explore their beliefs, and think about questions that really matter. It's been given the name 'Sycamore' in light of the bible story of Zacchaeus who climbed into a Sycamore tree to get a better view of Jesus. When he finally meets him they begin a conversation and his life is changed forever. Further details may be seen at:
